the age of 65, to take part in a study of ageing and
spirituality. As a participant in this study, you would
be asked to fill in a short questionnaire and answer
some questions about your health, your personal spiri-
tuality and how your religious faith helps you in every-
day life. Your participation would involve one inter-
view session, lasting approximately 30 minutes. For
more information about this study, or to volunteer for
this study, please contact: Grace Ukich 0407 322 753
