There will be a Midday Mass on the 1st of January but no 6.30am Mass

There will be no 10.30pm Final Call Mass. This will recommence on the 17th of February.

*For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope. Then when you call upon me and come and pray to me, I will hear you. When you search for me, you will find me; if you seek me with all your heart, I will let you find me, says the Lord. (Jer 29:11-14)*

The year is drawing to a close; so, on behalf of the MSC community, I would like to renew our heartfelt thanks to you all for your varying parts in making our Christmas celebrations so inspiring and memorable. Also for the many cards and gifts we received. Our thanks too especially for all those who have been actively involved in the parish during the year (no names, in case I miss someone), for so much generosity in such a variety of ways.

Hopefully we will have time, or we will make time, to reflect this week on what 2012 has been like for us. I offer the passage above as a lens through which to focus our reflection. May we discover more what God is up to in our lives, what God wants of us.

Perhaps we could let the words of Jesus to Martha echo in our hearts: "...you are worried and distracted by many things; there is need of only one thing. Mary has chosen the better part [not the only part], which will not be taken away from her." (Lk 10:41-42) Life is always a balancing act; we may not get it right sometimes, but hopefully we will keep on trying.

Then there's another year awaiting us: on behalf of our MSC community I pray that the New Year will usher in for us a deepening of our experience of God's love, so that more and more we can "be on earth the Heart of Jesus". Maybe a beautiful and challenging aim for the year!

And today we celebrate the Feast of the Holy Family. They highlight for us that the ordinary daily routines of life are what make up most of our lives; that's how Jesus spent most of his life among us; that's not to downplay that his last three years were the turning point in the history of our human family.
