

AN EASTER HYMN:

*Easter glory fill the sky!
Christ now lives, no more to die!
Darkness has been put to flight,
by the living Lord of light!*

*Mary, Mother, greet your Son,
Radiant from his triumph won!
By his cross you shared his pain,
So for ever share his reign!*

*Shepherd, seek the sheep that strayed!
Come to contrite Peter's aid!
Strengthen him to be the rock;
Make him shepherd of your flock!*

*Seek not life within the tomb;
Christ stands in the upper room!
Risen glory he conceals
Risen body he reveals!*

*Though we see his face no more,
He is with us as before!
Glory veiled, he is our priest,
His true flesh and blood our feast!*

The Heart of Christ

The Heart of the Divine Master is
the centre
on which everything in the Old and
New Testament converges,
the pivot around which everything
in Catholicism turns,
the sun of the Church,
the soul of our souls,
the source of our mysteries,
the origin of our sacraments,
the pledge of our reconciliation,
the salvation of our world,
the remedy of all ills.
That is how I understand devotion
to the Sacred Heart:
it embraces everything,
it is the answer to everything.
